- Persians and Jews are each asked to find a costume in the style of 1960-63 connected to their character (the line cook should be in dark pants, a white T-shirt, blue/red apron and white paper cooks hat (army shape), the diner waitress in a red diner dress and apron, the plumber in coveralls with “Shushan Plumbing” stenciled and the back, etc.). See the inspiration deck. Some characters may also choose to have a small prop that is easily manageable and that conveys what they do. Sherry Fishman, Rebecca and Eric Friedenwald-Fishman will be available to help find costumes for folks who want/need help. We ask that each person has a “quick-change” splash of blue and splash of red. Below are notes for some characters that we have specific styles/needs for:

- The Mohel – White doctor coat (or button up 1960s “dentist jacket” and Doctor’s mirror headband (see inspiration deck)

You get the picture. We are seeking costumes that convey the economic diversity, vibrance, and feel of the Lower Eastside in the early 1960s. The inspiration deck has key images, Eric and Rebecca FF are available to help identify options, and Sherry Fishman has offered to help “thrift” to find costumes.

The Persianettes (_____):
No-Jews

Haman:
I was walkin’ through the Jewish Lower Eastside that day

The Persianettes (_____):

Haman:
When the yids didn’t bow, I thought of King A.

The Persianettes (_____):
Dope, loves-Jews

Haman:
He doesn’t take a stand, like as King I would do!

The Persianettes (_____):
Bow to you

Haman:
So, I should, you see, on the Jews, tighten the screws!

The Persianettes (_____):
Da-da, da-da-da, screw the Jews!

Haman:
And now that I think about it, why not be King?

The Persianettes (_____):
Being the-king!

Haman:
So, I can convince the King to sign my decrees.

The Diner Cook: (_____):
Good for you:

Persians: *note: Low and High voices sing simultaneously approx. 14 beats hard stop near end of Haman's next line at "I will".*

High Voices Ooooooooooooooh- oooh- oooooh- the Jews!

Low Voices: Jew, ja-jew, ja-ja-jew, ja-jew- the Jews!

Haman: (Spoken overlapping the chorus do-whop above)
When suddenly and without warning
I will seize...

All Persians:
Total control, you're the one!

Haman: (Spoken)
It got very dark
And at this HUGE Haman rally
Grateful Persians left me tributes

The Persianettes (_____):
Not-Jews!

Haman: (Spoken)
And when the huge crowd cleared, this weird plant was just sitting there

The Persianettes (_____):
For-you!

Haman: (Spoken)
And its shadow, I swear, it spelled out, "No Jews!"

The Persianettes (_____): (big gesture to the plant like Vanna White)
Haman Two

Perhaps, I should throw lots 'cause I feel there is something ... *note: pause*

Music Notes for this Song: Little Shop of Horrors Movie Soundtrack

(ALL PERSIANS + Haman)

STAGE DIRECTION: Haman waters and then picks up “Haman Two”. Haman sings to the plant, the Persians and the audience in this number. Persians fill in the stage (positions will be set during blocking and based upon solos).

Slide/Video Art Card: “The Central District of Shushan, Persia: Haman is obsessed with growing the plant, belittling the Jews, and manipulating the King.”

Persians:

Jeeeeew, sha-la-la, Jeeew, wha, wha
Jeeeeew, sha-la-la, Jeeew, wha, wha
Jeeeeew, sha-la-la, Jeeew, wha, wha
Jeeeeew, Eew-eew, Jeeeeew

Haman:

For Jews I have grievance
I treat them like dirt
The Jews will get nothing
But heartache and hurt

This edict says clearly (holds up the edict and in one hand)

Get down on your knees (move Haman Two to the words like it can talk)

Oh please, bow to me (on please all Persians do air quotes and Haman puts “Haman Two back on the plant table)

King A. enters SL and crosses DSL lost in their thoughts and then notices he is wanted)

The News Stand Owner (_____):

The King he loves you

Persians: Sha-la,la

He’ll sign on this slip (gestures to the king to come over and King A thinks about it)

Persians: Jeeew

It will make them grovel

Persians: Sha-la,la

And will cost you zip! (King A crosses to Haman)

Persians: Jeeeeew

And now he comes to you

Persians: Sha-la,la

And now he won't tease (King A crosses takes and reads the edict)

Persians: Sha-la,la

Haman: (dramatic and emphatic aside to the audience fists clenched and shaking with excitement)

Oh please, bow to me!

King A:

I've given you titles and honors

To help you to thrive

I've signed your decrees

Like I'm ask'd ta (signs it – Yes "ta" is intentional – lower eastside!)

So, here, take your prize

I've given you levels of power

And made you a stud (Haman strikes muscle man pose)

I've given you edicts and menial supplicants

What do you want from me, blood!?! (King A. being sarcastic and dramatic but pricks his finger on the pen, winces, sucks quickly on it, wipes it on the plants mouth – no one on stage notices – and everyone is frozen except the King and the spotlight is on the King)

STAGE DIRECTION: Everyone except Haman freezes. Haman leans to the audience, puts up both index fingers and eyebrows and speaks in an aside.

note: pause/music stops

Haman:

Why, yessss. (spoken in a cheerful but evil voice and Cheshire Cat smile)

STAGE DIRECTION: King A. exits SL

note: music resumes with piano cord (which is at 1:25 in the recording)

STAGE DIRECTION: Two Persians move the plant table and everything on it to its spot USL.

Persians and Haman:

Oh, this is delicious

The Persianettes (_____): Sha-la,la

Oh, this will cause pain

The Persianettes (_____): Jeeeeew

And oh, so malicious

The Persianettes (_____): Sha-la,la

Send the Jews down the drain

The Persianettes (_____): Jeeeeew

Yes, this will gall Mordi

And Haman appease

Now please (all do sarcastic air-quotes on "please") *note: hold "please" 6 beats*

Oh, oh, oh, please (all do sarcastic air-quotes on "please") *note: hold "please" 2 beats*

Bow to me! *note: hold "me" 4 beats*

Dramatic "grow" music

STAGE DIRECTION: Freeze for applause. Persians congratulate Haman. Haman exits SL followed by Persians. As the applause and exit happens the band plays the dramatic "grow" music and "Haman Two" Grows to its Mid-size.

05 – Dance for My Fun (Mushnik & Son)

King A. throws an epically boring party and, lech that he is, tries to get Vashti to dance, and he means DANCE, for his guests.

Music Notes for this Song: Little Shop of Horrors (The New Cast Album) 2019 – Jonathan Groff & Tom Alan Robbins. We need to give the audience time to read the art card so the opening guitar that in the recording repeats 2 times needs to repeat 10 – 12 times.

ALL PERSIANS + King A., Vashti, and Haman

STAGE DIRECTION: Vashti enters walking very fast (clearly angry) and crosses DSC followed by King A trying to keep up and empathically pantomiming arguing with her and trying to get her to dance. Haman and the Persians (all with wine glasses and bottles) follow and fill the stage (positions will be set during blocking and based upon solos/choreography). Most of the women gather US of Vashti as her entourage/support. Everyone pantomimes drinking and gossiping about the King and Vashti. We need about 20 seconds for the audience to read the slide before King A. starts singing.

Slide/Art Card: "The Palace Ballroom: King A. is throwing an epically boring party. Lech that he is, he tries to get Vashti to dance, and he means DANCE, for his guests. She said, in a way that made it clear the answer is "NO," that she would "think about it."

King A: (Spoken)

She'll think about it. (Annoyed and gesturing to Vashti)

She'll think about it! (Annoyed and gesturing to Haman and the crowd)

Vashti: (Spoken)

I don't like your tone, "King" Ahasuerus.

And there is no way I will dance for Haman

King A: (Spoken)

What do you mean, “No?!?!?”

You just said you would mull it over.

Vashti: (Spoken)

Your sexism is so unhealthy.

It’s enough to make me sick!

King A: (Spoken as an aside to the audience)

If she fails me, if Vashti fails me

Why then I’d be a wimp - shamed, shunned, and emasculated.

Vashti: (Spoken)

Sweet and good and beautiful as I am,

I deserve a prince!

Not a lecherous creep like him! (Aside to the audience and pointing at King A.)

King A: (Spoken pointing with both hands to his chest and offended as if falsely accused)

Moral bankrupt!

Vashti: (Spoken to all and gesturing to the King)

What a louse!

King A: (Spoken and after “befuddled” a light bulb goes off and King A. has an idea)

Beset, befuddled, but, by chance...

Could bribes and threats make Vashti dance?

Vashti: (Spoken directly to the King)

You’re a disgrace to the Royal profession!

King A: (Spoken almost pleading to Vashti)

Vashti !?!?

Vashti: (Spoken a bit thrown off guard)

Sir???

King A: (Spoken almost pleading to Vashti)

Vashti...how would you like to have some fun?

Vashti: (Gasps in shock)

No!

King A: (Talk Sings)

How would you like be the harbinger of joy?

You could start with a sultry dance
Then on a table you could prance
You've got no choice, it's your last chance
Say, "Yes!"

Vashti: (Spoken fast with conviction)

No chance!

King A: (Talk Sings)

Vashti, don't make me be a cad
I want to see you climbing up a fire pole
Let me give you a little tip
We want a dance in which you strip
So, I'm proposing, have some fun!

Dance for my fun!
Sounds great
Four words with the ring of fate

So, say you you'll cooperate with me
This party's dream come true
King-Slick and his hot-chick, you!
Just start dropping scarves, and let us see! (King A. Drapes a feather boa around Vashti's neck)

How 'bout it, Vashti, have some fun!
Just say the word, I'll have you dancin' in the light

Vashti:

Now, Ahasuerus don't be rash, (said as four syllables "Ah-ha-suer-rus")
I'll not let you treat me like trash

King A: (Spoken)

You think I'm joking?

Vashti: (Spoken)

More like choking!

King A: (Talk Sings)

'Scuse my proclaimin' expression to my bride
so full of feminist stubbornness
I am done with your pri, yi, yi, yi, yiii, yi, yi, yi, yi, yi, yi, yi, yi, yi, yi, yide!
(sings "pride" like Tevye – listen at 1:53 – 2:03)

Vashti: (Spoken)

Gee...

King A: (Talk Sings)

So?

Vashti: (Spoken)

Well...

King A: (Talk Sings)

Well?

Vashti: (Spoken)

I????

King A: (Talk Sings)

You?!

Go ahead and say it Vashti, tell me that you will

Vashti: (Spoken)

Gee I want to live, but

King A: (Talk Sings)

I'll hold my breath until (takes an exaggerated deep breath)

note: Music stops while King A dramatically holds breath for a few beats)

Vashti: (Spoken)

No way, you lose! This is not fun!

King A: (Talk Sings)

No way, I lose??? This is not fun???

Vashti: (Sings)

Call up the papers, say I'm deposed,

I really am

And with no wife for you to see

I bet that you will sure miss me

King A: (Spoken)

You dare???

Vashti: (Spoken)

I sure do!

King A: (Spoken and mad)
What, no fun?!?!

King A, Haman, Persians:
Dance for our fun!

Vashti:
That's that!
Officially, you're a rat!

Vashti & Ladies in Waiting: Consider the matter closed and done. Note: in harmony
(Vashti removed the boa and forcefully drapes it around King A's neck. King A points to Vashti and gestures "hand across throat" that she is to be executed)

Vashti:
Now to the world, you're sick
Your evil and greedy trick
No grind and no kick
A dullard and thick (gestures to King A)
So come, miss me quick!
This was all your pick

Vashti & Ladies in Waiting:
Dance for your fun!!!! (indicating that he should dance, Vashti removes the boa and drapes it around King A's neck)
Note: hold "for" for 4 beats and hold "fun" for 13

STAGE DIRECTION: FREEZE FOR APPLAUSE. No one leaves the stage. Haman signals and two hench-people arrest Vashti (taking her arms and standing in place. We go right into the next scene.

King A, curious, signals for the hench-people to stand by and shifts USR joined by Haman and Persian men. Vashti:

You are losin' the greatest (gestures to herself)
By being a big-time sadist
This will be your black eye (gestures to King A)
Now that my fate is cast
You claim I'm being snooty
Well, I stand for my inner beauty
Now I go to a place
Where I can have peace and rest at last

Lady in Waiting #1 (_____): (to King A)

Just look at what you've done
I mean you really stink
So, women to you are chattel
So, that is what you think!
Are you made of iron? Inhuman? you're a machine

All Persian Women and Vashti:

Be gentle, be kind, be fair
Now don't be mean

Music Interlude as Vashti seeks support**Vashti: (to the Persian women and the audience)**

My death won't be in vain
For women they will see
I stood for equality
And said, "be all you can be"
There is a cost to dignity
Make men honest and clean

All Persian Women and Vashti: (to King A)

Be gentle, be kind, be fair
Now don't be mean

Lady in Waiting #2 (_____): (to Vashti)

To us you are a winner
Be renowned as our Queen
You stand up for all our pride
And for our respect you intervene
You have not lost your stride
You put him to the test
The King's a meanie- rudie
And his soul will never rest

Vashti: (to everyone – sang straight out to the audience)

07 – That is a Strange and Interesting Plant (dialogue only)

Haman, with an assist from the “strange and interesting plant,” convinces the King to hold a beauty contest to find a new and very beautiful Queen.

STAGE DIRECTION: Haman and a few Persians enter SL, they cross to the plant table and move it just up of DSC. Haman picks up Haman Two and is watering and caring for it. King A enters SL with 3 – 4 Persians and crosses to Haman. Blocking positions will be set at rehearsal.

Slide/Art Card: “King A’s Throne Room: Vashti was right. The King is sad and is worried no one will marry him after he killed Vashti. Haman, with an assist from the “strange and interesting plant,” convinces the King to hold a beauty contest to find a new and very beautiful Queen.”

King A: (to Haman)

How can you futz with a plant at a time like this.
I am so lonely! How will I ever find a Queen?

futz = to waste time

Haman:

You could hold a royal beauty contest and not only get a Queen but also the most beautiful woman in the empire... “from India even unto Ethiopia!”

King A:

Are you kidding? After what I did to Vashti no one would enter. I am kaput! Extinct! I might as well close the palace!

Haman:

King Ahasuerus, has it ever occurred to you that maybe if we moved in a new direction and built excitement in new ways, the contest would work?

The Street Cop (_____):

As always, Haman has a great point, your majesty. This strange and interesting plant Haman has been growing could attract the interest of beauties from across the Kingdom.

King A:

What kind of weirdo plant is that? And what does a weird plant have to do with anything, let alone a beauty contest?

Haman:

It is not weird! It is exotic! It is known as a... “Haman Two”!

King A:

You named it for yourself?

Haman:

Of course. But just think about it. We put this strange and interesting plant in the palace window next to a sign about the beauty contest and it will attract entrants to the contest!

STAGE DIRECTION: Haman and two Persians move the plant table CS. The Street Cop grabs the Contest Poster from USR and leans it against the front of the plant table.

King A:

What!?!?!? That will never work. Just because you put a strange and interesting plant in the palace window, beauties don't suddenly

The beautiful Insurance Saleswoman/Customer #1 (_____):

The Street Cop (_____):

It's a Haman Two and it is the mascot for the beauty contest.

The beautiful Insurance Saleswoman/Customer #1 (_____):

Cool! There is going to be a beauty contest, and the prize is to become Queen?!? Well, I would normally not enter, but if that strange and interesting plant is the mascot...

Haman:

You should enter.

The beautiful Hairdresser/Customer #2 (_____):

King A: *(interrupts and moves DSC)*

Alright, alright already.

I'd never have believed it! But who am I to argue?!?

Haman, your plant is strange and interesting . . . it is also strangely persuasive.

I have made my decision. We will hold the contest and find a Queen!

STAGE DIRECTION: All Cheer

Haman:

You heard the King. Spread the word far and wide! Come, your majesty, we must get you ready to judge the contest.

Music Note: As the Persians exit and Esther, the Seamstress, and the Fruit Peddler do their schtick with the poster, "Some Fun Now" plays starting with the (melody about 20 seconds in to not give away the cool guitar intro we use in the actual beauty contest) as background music and it continues after they exit and we go into the next scene.

SONG BEGINS

The Mohel (_____):

When I was younger, just a cute little kid
My ima noticed funny things I did
Like untanglin' pigtales all stuck with gum
I'd pull out splinters, and when I was done
I'd see a kid fall and I'd bandage his head
That is when my ima said

ima = mama

The Kibbitzelles:

What did she say?

The Mohel (_____):

She said, "Girl-chick, I think someday
You'll find a way
To make your natural tendencies pay
You'll be a Moh-el

The Street Sweeper (_____):

Watch him suck up to King, oy, oy-vey

Let's split! (point to exits SR & SL)

Freeze for applause.

Music Note: Dentist plays after the applause as background while folks exit.

STAGE DIRECTION: Split CS and all exit half SR and half SL.

10 – Feed Hate (Feed Me)

Haman is VERY mad. His hand-selected finalists did not win the beauty contest. The King has blown him off ever since crowning Esther, Mordi will not bow and neither will any of the Jews. Something must be done.

Music Notes for this Song: Little Shop of Horrors Movie Soundtrack.

To give time for the plot moving pantomime with the plant growth and for the audience to read the art card, the 7 sets of two guitar and bass cords (first 17 seconds of the song) are used without lyrics and likely we will do 14 – 21 vs the original 7 as ominous background music. We will figure out timing in Tech with the plant.

(ALL PERSIANS & Haman)

STAGE DIRECTION: Haman enters SL crosses to Haman Two, gives the plant a kiss. Haman checks the edict and the pen and accidentally pokes his finger with the pen, Haman puts his finger in his mouth, takes it out and wipes it on the mouth of Haman Two. Haman Two grows to its LARGE version. The Haman Two Handlers add leaves and raise the neck. This time Haman notices the plant growing! Haman looks at his finger, looks at the plant, looks at his finger again and gives an “I have an idea” look and gesture with his index finger. Persians enter from SL and SR and cross to blocking positions. Positions for all will be set during blocking and choreography. Once folks are on stage and the number starts Haman Two continues to grow with The Haman Two Handlers attaching the new larger head & neck, and large “vines” (the crawl through tube).

Slide/Video Art Card: “The Central District of Shushan, Persia in the Plaza outside the entrance to the palace (where Haman’s huge, strange and unusual plant now lives): Haman is VERY mad. His finalists did not win the beauty contest. The King has blown him off ever since crowning Esther. Mordi and the Jews will not bow. Something must be done.”

Haman:

Feed hate

Haman and the Persianettes:

Feed hate

Haman, the Persianettes, the Beauty Contestants, and the Street Cop:

Feed hate

Haman and All Persians:

Feed hate, Haman

Feed hate all night long!

Haman:

That’s right folks!

The Persianettes: (to Haman)

You can do it...

Feed hate Haman

Feed hate with your gall ...

Haman:

’Cause when I get my edict

I’ll have gallows big and tall

Would you like a Cadillac car? (to the Persians)

Or drinks for free at the bar? (to the Persians)

How about no Jews at all near or far... (to the Persians)

You’re gonna get it (to the Persians)

The Street Cop (_____):

How'd you like to be the big wheel (to Haman)

Get an edict, seal the deal (to the crowd)

Your "Persians First" bit has appeal (to Haman)

You're gonna get it (to Haman)

Haman: (exaggerated pantomime of talking to the King)

Hey there, good Kingy

I'm your friend

About you I rave

Take a chance and heed me, yeah

You know the kinda laws

The kind'ta gloss my flaws

The kinda icky tricky laws I crave...

Haman: (to the Street Cop goading him on)

Ow! Come on, Flatfoot

Called you a Putz!

Screw the damn letter of the law,

Kick all their butts

Show a little initiative, boy

Work up some guts

And you'll get it

The Street Cop (_____): (reluctant and not ok with Haman's plans)

I don't know (all Persians are scared and watching to see how Haman reacts through this solo)

I don't know

I have so...so many strong...reservations

Should I go...and perform...mutilations?

The Persianettes: Utt, oh! (background high notes)

Haman: (Angry and step-by-step moving the Street Cop back into Haman Two)

Think about Persian wives and kids

The Persianettes: Utt, oh! (background high notes)

Defiled by these dirty Yids

The Persianettes: Utt, oh! (background high notes)

Guess we cannot count on you to bust their lids

And you'll get it ... uh huh (on "get it" Haman shoves them into Haman Two who eats the Street Cop. All Persians immediately show 100% blind support to Haman and seek to demonstrate how "all in" they are)

STAGE DIRECTION: The Street Cop exits SL (crawling through the plant's "Vine"). The Stage Level Haman Two Handlers add larger leaves and hook up the neck/and head to the cable and

prep for “the big grow.” Haman and the Persians have shifted US and DC by this point to make a clear aisle from SL to SR is clear and DSC is clear to make room for Esther and King A.

Handy Man (_____):

Gee I’m like a killin’ machine

You ain’t never seen someone so mean

Haman: Oh, yeah, yeah, yeah!

Who cares about the laws? All Jews’ clocks I’ll clean

Haman:

So, go and git it! Woo woo woo!

STAGE DIRECTION: Esther enters pantomiming rattling off a list of social justice initiatives and good works followed by King A who is frantically writing them down. They do not see or hear anything around them and a DSC by the time the Persianettes sing, “All of these Jews deserve to die...”

The Persianettes:

If you wanna be renowned...

If you really gotta justify...

Take a deep breath and look around

All of these Jews deserve to die...

Esther: (Spoken with gusto - Listing policies the King must enact as they walk briskly crossing to SR exit)

Health equity! Free childcare! Religious rights!

King A.:

Sounds great, Esther! So smart, Esther!

STAGE DIRECTION: Esther and King A Exit SR. Haman and Persians move DS.

Haman:

If you want a rationale

It isn’t very hard to see

Stop and think it over, pal

The King sure looks like plant food to me

Haman and All Persians:

The King sure looks like plant food to me

The King sure looks like plant food to me

The Diner Cook (_____):

King’s a patsy, callin’ his bluff!

The News Stand Owner (_____):

Time to smack him down, and time to treat the Jews rough!

Haman:

Let's spill blood and they've got more than enough!

The Persianettes:

Let's spill blood and they've got more than enough!

All: (gesturing to Haman Two)

You need blood and they've got more than enough!

Haman:

So go git it!

Freeze for applause.

Music Note: The into piano (first 5 seconds) plays/repeats after the applause as background for the plants big growth and while folks move to places.

STAGE DIRECTION: No one leaves the stage. We go right into the next scene. Immediately after applause, the piano music starts, the spotlight hits Haman Two and the Haman Handlers grow Haman Two to its HUGE version (The head is pulled up to above the choir loft and the neck extends all the way up (using the pulley and cables from above with the stage level handlers ensuring no tangles). Haman and the Persians watch in silent awe and slowly moving their heads, leaning back and finally pointing up as the plant rises. Just then, Mordi, The Mohel and the Kibbitzelles enter SR, realize immediately they have ended up in a dangerous situation and scramble to hiding USR each grabbing something to hide behind (garbage can, potted plant, newspaper, etc.). Haman and the Persians do not see them because how could anyone not be 100% focused on a giant growing person-eating plant!?!.

11 – The Crown I'll Inherit (The Meek Shall Inherit)

Haman convinces the King to sign his edict to kill the Jews and confirms his plot to kill the King. Mordi, the Mohel and the Kibitzelles witness it all. What will they do?

Music Notes for this Song: Little Shop of Horrors Movie Soundtrack.

(PERSIANS + Haman, King A (walk on), Mordi, The Mohel and the Kibbitzelles + ALL Jews at the end)

STAGE DIRECTION: After Haman Two reaches their full height (there will be a big piano cord) The Persians come out of their trance, Haman pivots into action.

Music Note: After Haman Two reaches their full height there is a dramatic music crescendo/chords. We then return to the into piano (first 5 seconds) plays/repeats behind Haman's monologue and we go right into the song.

Slide/Video Art Card: "The Central District of Shushan, Persia in the Plaza outside the entrance to the palace: Haman convinces the King to sign his edict to kill the Jews and confirms his plot to kill the King. Meanwhile, Mordi, the Mohel and the Kibitzelles witness it all. What will they do?"

Haman: (Spoken)

Okay, Persians, change of plans. We can stop with the crazy construction schedule and the engineering nightmares. Who needs a gallows 50 cubits high when we have a plant, and not just any plant but a 50-cubit-high Jew-eating plant! And people called Haman Two, "strange and unusual." I say Haman Two is beautifully, maliciously, genocidally ... GORGEOUS!!!! Let's hear it for Haman Two!

Persians Cheer

Haman: (Spoken)

Now, let's get the edict signed so I can kill all the Jews. And once that's done, how hard would it be to lure our easy-to-manipulate King just a little too close to a certain plant. And then, even in my grief (*exaggerated fake tears and sadness*) for the good of the people (real Persian people), I would "reluctantly" take the crown and be your king.

Persians Cheer

The Diner Waitress (_____): (Spoken in rhythm, almost a shout, and pointing off SL)

Here comes the King!

STAGE DIRECTION: Everyone moves to "places" the Insurance Saleswoman grabs the edit and the pen. The Newsstand owner grabs the Life Magazine with King and Haman Grip & Grin with Edict. King A. enters SL, sees Haman waving and cross to Haman (oblivious to the plant and to Mordi who is trying to get his attention and warn him while still hiding). Haman, The Plumber and the Dinner Cook all grab glasses from the tray on the Bima)

SONG BEGINS (Note: The lines spoken in rhythm are right on top of each other, characters and completing others' thoughts, or moving to the next idea WITHOUT a pause between- everyone will need to take their breath before the person with the line before them finishes so they are ready and can come right in).

The Diner Waitress (_____): (Spoken in rhythm)

Ahasuerus, the Jews try to unseat you!

The Diner Cook (_____): (Spoken in rhythm and raising a glass as do the Plumber and Haman)
But, first to the King, let's all toast

Haman: (Spoken in rhythm - as an aside with a malicious smile)
Up yours!

The Hairdresser (_____): (Spoken in rhythm - confiding and seducing the King)
King A, Do you see? Is it fair? Jews in your hair?

The Insurance Saleswoman (_____): (Spoken in rhythm - making the pitch to the King)
Sign here, and we'll rid Persia of the Jews for-sures!

The Cocktail Waitress (_____): (Spoken in rhythm - confiding and seducing the King)
Yes, darling, we're casting lots to select the day

Haman: (Spoken in rhythm - as an aside to the Persians)
So, get the plant ready 'cause here comes fresh meat

The Insurance Saleswoman (_____): (Spoken in rhythm - closing the deal and handing the King the edict and then the pen)
Just sign this edict; need a pen?

Music Note: We need a pause for lines and important pantomimed stage business HERE. So, after the Saleswoman says, "need a pen?," we will play 3-4 extra repeats of the 4 beat piano melodies.

STAGE DIRECTION: Steve Billow (with camera and flash (dressed in a suit with a skinny tie and a hat with "Press" card in the brim ribbon) runs up the Bima steps. The King signs the edict and gets grip and grin Photo taken with Haman by Steve Billow). Steve exits down Bima steps.

The Newsstand Owner (_____): (Spoken in rhythm - holding a copy of Time Magazine with King and Haman Grip & Grin with Edict)
Aren't you thrilled? It's the cover of Life Magazine!

Slide/Video Art Card: Image of Life Magazine with King and Haman in a classic grip & grin shot holding the edict. The headline reads "King A. signs Edict!"

The Insurance Saleswoman (_____): (Spoken in rhythm - taking back and holding up the signed edit – says to the King)
Thank you!

STAGE DIRECTION: Persians give the King polite applause. King waves and exits SL.

Haman: (Spoken in rhythm – to the Persians and the audience)
I'm telling you now, it's a cinch to start "hanging"
The eating is the plant's, the concept is mine!
And first we'll feed it Mordi and then all the Jews
And it is all legal with the edict he ...signed!!!

All Persians and Haman (except the Persianettes): (Spoken as a shout)
Signed!!!

SINGING STARTS

The Persianettes: (In harmony)
Haman the crown shall inherit
Even though the Vizier spreads lies (Haman waves to the crowd proud of this honorific)
It's not a question of merit
It's their ruthlessness supply

All Persians:
They say the Jews gonna get it.

Slide/Video Art Card: Image (mug shot) of Mordi with "MORDECHAI" on along the bottom.

Haman: (Pointing with both hands straight out and angled up to both screens w/ Mordi)
And we will start with that guy!

All Persians: (In harmony)
You know the Jews are gonna get what's coming to 'em
By and by (the 2nd "by" is held for 3 beats - starts loud and fades out)

Haman: (starting contemplatively and working up a fervor)
My future's starting

The Persianettes: Oh, oh
I've got to get it

The Persianettes: Oh, oh
Feed Jews to the plant

The Persianettes: Oh, oh
And gee, my mania will thrive
What am I saying?

The Persianettes: Oh, oh
The King? Forget it.

The Persianettes: Oh, oh
It much too dangerous, should I keep him alive?

The Persianettes: (starting at "should I" and crescendos with Haman all the way to "evil things")
Ahhhhhhhhh, Ahhhhhhhh...

Nah, I should off him, and do more killing
For my success grows with mean and nasty mood swings
He signed my edicts, so now they're willing (gesturing to his "willing executioner" Persians)
To keep on doing bloody, awful, evil things
Yes!

All Persians: Oh, yes!

Yes!

All Persians: Oh, yes!

Yes, only I can make them bend

No!

All Persians: Oh, no!

No!

All Persians: Oh, no!

No, their nightmare never will end

No!

All Persians: Oh, no!

No!

All Persians: Oh, no!

You've got no alternative, Mordi, old boy

This means you'll be down again, my Schadenfreude!

schadenfreude = delight in other's misery

It's the "final solution," it can't be avoided

Haman and All Persians:

The vermin Jews must be destroyed!

STAGE DIRECTIONS: Haman and Persians raise both hands into the air in premature triumph! Freeze for applause. And exit AS FAST AS POSSIBLE with Haman and all SL Persians exiting SL and all SR Persians exiting SR. Persians change to costumes as Jews to re-enter near the end of the song).

Music note: The song continues after the Persians leave the stage. The big chord at 1:54 is held during applause and we go into the rest of the song as the Persians exit.

SONG CONTINUES

Mordi: (Slowly, at first scared and worried, but gaining resolve)

Oy such mishegoss

mishegoss = mischief or inappropriate actions

Evil mishegoss

This plot is tawdry, soul impoverished, and more

Not our end you see, Esther can save me

Save our people, and remove Haman evermore

The Kibitzelles: (In harmony)

For the Jews he has a garrote (Pointing off SL towards Haman)

Mordi and the Mohel: He's crossed a line
But we will call out his lie

Mordi and the Mohel: For the last time
Esther's got plenty of merit

Mordi and the Mohel: She'll stop his crime
Esther the King can't deny

Mordi and the Mohel: He thinks she's FINE
She will stop Haman, we swear it

Mordi and the Mohel: What could go wrong?
If on Esther we rely

The Mohel: For peace! **Mordi:** Shalom

Shalom = peace (also a salutation)

The Kibitzelles, The Mohel, and Mordi: (In Harmony, strong but with room to build)
You know Haman is gonna get what's coming to him

STAGE DIRECTION: Jews enter running ½ from SR and ½ from SL to blocking positions. Positions will be set during blocking and choreography.

Music Note: Jews who get in first sing the next line and all Jews are on stage and singing by the 3rd repeat of this line.

The Kibitzelles, The Mohel, and Mordi, and Jews: (In Harmony, stronger but with room to build)
You know Haman is gonna get what's coming to him

The Kibitzelles, The Mohel, and Mordi, and ALL Jews: (In Harmony, and BIG the grand confident finish)
You know Haman is gonna get what's coming to him
By and by (Hold the final "by" for 6 and OFF)

Freeze for applause. Mordi, The Mohel and the cast who play Jews, in JEWS & PERSIANS scenes, move DS and start the dialogue (STAY ON STAGE) for the next scene. As the dialogue starts, cast who play Persians, in JEWS & PERSIANS scenes, exit subtly SR/SL (whichever is closer) and change into Persian costumes since they enter as Persians ½ way through the next song.

12 – Suddenly Esther (Suddenly Seymour)

In the Plaza outside the entrance to the palace, Mordi and the Jews tell Esther of Haman's plot and urge her to expose Haman's plot to the King and save the Jews. Mordi: (Spoken)

Esther, such Mazel that you are here right now! Haman finally has what he wants. He got the King to sign an edict to kill all the Jews and he has cultivated a giant flesh-eating plant, 50 cubits high! Haman plans to feed all of us to the plant!

And he also plans to kill the King!

Esther: (Spoken)

Such tsoris!

tsoris = trouble

The Streetsweeper (_____): (Spoken and holding the note)

Yeah, and while sweeping the alley behind the palace I found this crumbled note from Haman to his henchmen. It says Haman cast lots and plans to kill us all on the 14th of Adar, which is in just two days!

Mordi, Esther, the Kibitzelles, and the Mohel: (Spoken "song cue")

So suddenly!

Esther: (starts singing as Mordi and the Jews hold “defend”)

I cannot know if he’ll treat me kindly
Haman is squirrely, the King unsure
For far too long, he’s followed Haman blindly
He’d snap his fingers, King he’d say “sure”
Suddenly, Esther, is standing before him
And I will approach him, he won’t condescend
Suddenly, Esther, the King will abide me
Sweet understanding, life I defend

Haman:

Tell me this feeling lasts ‘til forever
Tell me Haman’s time, it starts here today

Applause.

Haman, unrepentant and green with envy, admits that he is mean and green.”

Haman: (spoken - exasperated, and haughty)

Your Majesty, as your Grand Vizier, your most important advisor, and the protector of traditional, hierarchical, and patriarchal structures and norms, I must object to the Queen and her retinue flaunting the rules of the Throne Room and bringing us here too...

SONG LYRICS BEGIN

Esther: (cuts Haman off and confronts him)

Better wait a minute
Ya better hold the phone
Better mind your manners
Better change your tone
Don’t you demean me, putz
You gotta lot of gall
You’re gonna hear what I say
And, yes I’m makin’ the call

Short dance interlude

You don’t know what you’re messin’ with
You got no idea
You don’t know who you’re looking at
When you’re lookin’ here (refers to herself)

You don’t know what you’re up against,
No, no way, no how
You don’t know what you’re messin’ with,
But I’m gonna tell you now!

Mordi and the Jews:

Ahhh, Ahhh, Ahhh, Ahhh, Ahhhhhh

Esther:

Get this straight

I'm just a keen queen Hebrew who's in your face, and I'm mad (everyone gasps and looks to King A)

I'm just a keen queen Hebrew who's in your face (King A waves it aside as a non-issue and gives Esther a thumbs-up)

And it looks like you've been had

Esther, Mordi, and the Jews:

I'm/she's just a keen queen Hebrew who's in your face

So get off our back n' get in your place

Esther:

'Cause I'm keen and queen and I am mad!

Very short dance interlude (hand jive)

Esther:

Wanna kill the Jews, now?

You wanna get my hide?

The 14th is tomorrow

King A will take my side

Mordi:

Wanna kill the King, now?

You better think twice!

Stealin' the crown's not easy

'Cause you're walking on thin ice

Esther, Mordi, and the Jews:

...Ya don't know who your dealin' with

No, you never did

Ya don't see anyone but you

No more callin' us "yid"

(King A is looking at Haman with brewing fury)

Esther:

The King's onto you tonight

He's gonna plotz and and wring your neck

plotz= to become overwrought and figuratively explode

Mordi:

Ya say, "that ain't fair?" Ya say "that ain't nice?"

Ya know what we say?

Esther, Mordi and the Jews:

Gey 'vek!

gey 'vek_= get lost!

(King A cheers and all the Persians, except for Haman, join him – this is the big mood/allegiance change moment where all the Persians see how wrong and evil Haman was and are now all on the side of Esther and the Jews)

Esther, Mordi, the Jews, King and all Persians (except Haman):

Ahhh, Ahhh, Ahhh, Ahhh, Ahhhhhh

King A.:

Watch me now!

You're just a keen queen Hebrew who I embrace, and I'm glad

You're just a keen queen Hebrew, to his disgrace (pointing to Haman)

And he's got me fightin' mad

She's just a keen queen Hebrew, who I embrace

Gonna call you out, (pointing to Haman)

Gonna save this place.

'Cause she's keen and Queen and I am glad!

Drum solo

Stage Direction: Everyone moves to positions for Haman ping-pong (each soloist holding Haman by the shoulders, giving him a good talking to and pushing him to the next accuser)

Esther:

Puttin' down folks make you feel so strong

You think you're the GOAT, well you're thinkin' wrong

Stage Direction: She sends Haman to Mordi.

Mordi:

You pick on Jews from Gould to Bergstein (pronounced like beer stein)

Yeah, you'll deal with me when you pick on mine

Stage Direction: He sends Haman to King A..

Very short dance interlude (hand jive)

King A:

You make everything about push and shove

I will stand with peace, I will stand with love

Stage Direction: He sends Haman DSC where everyone weighs-in.

All (except Haman):

You lost your power, you're not great
Say "no" to you, say "no" to hate

Very short dance interlude (hand jive)

Haman: (Hateful, definite and unrepentant)

I am supreme, hate the Jews
You're a pathetic King, "Breaking News!" (does air quotes with extreme sarcasm)
You better back away
Nature calls (points to "his" plant)
You ain't got me
I'm gonna make you fall

Stage Direction: Haman runs in circles, beckoning to the plant, manic and deranged.

Very short dance interlude (hand jive)

Haman: (maniacal laugh during the dance interlude)

Ma-Ha Ha Ha, Ma-Ha Ha Ha, Ma-Ha Ha Ha

Esther, Mordi, the Jews, King and all Persians (except Haman): (singing to counter Haman)

Ahhh, Ahhh, Ahhh, Ahhh, Ahhhhhh (Start after Haman's second maniac laugh)

Haman: (spoken -believing Haman Two will do his bidding)

Here it comes!

Esther, Mordi, the Jews, King and all Persians (except Haman): (to Haman)

You're just a mean green hater who's outta place, and you're a cad

All three trios: Yes, a cad!

You're just a mean green hater, a real hard case
You're in big trouble, man
You're just a mean green hater who's outta place
So, the gig is up

Esther:

It's all over, "Ace"

Haman:

I'm mean and green

Esther, Mordi, the Jews, King and all Persians (except Haman):

Mean green hater who's outta place

Haman:

I'm mean and green

Esther, Mordi, the Jews, King and all Persians (except Haman):

Mean green hater who's outta place

Haman:

I'm mean and green

Very short dance interlude (hand jive)

Esther, Mordi, the Jews, King and all Persians (except Haman):

Mean green hater who's outta place

Very short dance interlude (hand jive)

Mean green hater who's outta place

Very short dance interlude (hand jive)

Esther and King A: (Looks up to the plant and, together, give a big thumbs up to the plant and then point to Haman)
And you. Are. Bad!

Stage Direction: As all but Haman sing the "Ahhhs", Haman Two's head begins to sway, it's head lowers ominously, the Handlers on stage get either side of its head and start moving slowly towards Haman, Haman pulls back and circles US (so he will be hidden behind folks later). As the plant gets close Haman shrinks in fear (think wicked Witch of the West melting in the *Wizard of Oz* + this gets Haman low enough to be eaten), the Handlers Open the mouth wide and lower the head over Haman – he has been eaten by his own plant! Haman will either stay hidden in the plant or will crawl out through the vine – we will work that out once the plant is designed. Positions for all will be set during blocking and choreography.

Esther, Mordi, the Jews, King and all Persians (except Haman):

Ahhh, Ahhh, Ahhh, Ahhh

Ahhh, Ahhh, Ahhh, Ahhh

Ahhh, Ahhh, Ahhh, Ahhh

Ahhh, Ahhh, Ahhh, Ahhh

Ahhh, Ahhh, Ahhh, Ahhh

Big chord ends the song.

Freeze for applause. No one leaves the stage. We go right into the next number

15 – Don't Feed the Hate (Don't Feed the Plants)

Love, justice, and solidarity prevail. The entire community, Persians and Jews, celebrate and stand together, proclaiming, “don't feed the hate,” “don't feed the fear,” “DO stand for love!!!!”

Music begins as soon as applause is dying down.

Music Notes for this Song: We are using Suppertime from the “New Broadway Cast Recording” (at this [Finale Song Link](#)).

STAGE DIRECTION: Persians and Jews mix together, link arms and sing. Kids run up the Bima steps and are placed in the front each with a “buddy.” Positions for all will be set during blocking and choreography.

Slide/Video Art Card: “The Plaza outside the entrance to the palace (where Haman's strange and unusual plant is now a hero, beloved by all, and promises to be a vegan from now on): Love, justice, and solidarity prevail. The entire community, Persians and Jews, celebrates and stands together, proclaiming, “Don't feed the hate,” “Don't feed the fear,” “Do stand for love!!!!””

SONG BEGINS

Both Trios:

Ooooooh, ohhh, ohhh, ohhh
Ooooooh, ohhh, ohhh, ohhh

Pearl of the Kibbitzelles:

Subsequent to the events you have just witnessed
Similar events can happen anywhere, anytime

Rona of the Kibbitzelles:

Events which have a striking resemblance
To the ones you have just seen are occurring

Pensioner:

Ooooooh, ohhh, ohhh, ohhh

Sindon of the Kibbitzelles:

Subsequent to the events you have just witnessed
Chauvinistic jerks from Sardis to Persepolis
Made the acquaintance of that age-old bigotry
And what starts as talk often leads to blood

All Women:

But we all have our voice and free will
Forget the jerks, peace we can fulfill
And all our love proceeds to grow
And grow
Now begins what we came here to do
Which is essentially to:

All Men:

Stand for all
Stand for love
And Togetherness
In Shushan!!!
And in this Temple!

Music Transition/Intro

All:

They may offer you fortune and fame
Love and money and instant acclaim
But whatever they offer you,
Don't feed the hate!

King A:

They may offer you lots of cheap thrills

Mordi:

Fancy titles and pay all your bills

The Mohel

But whatever they offer you...

Esther:

Don't feed the hate!

All:

Stand up!
For Persians and Jews!
Stand up!

Men (lower voices): *(to the Jews)*

Here I stand for you!

Men (higher voices): (to the Persians)

Here I stand for you! (overlap: begins as the line above hits “you”)

All Women and Esther: (to each other)

Here I stand for you! (overlap: begins as the line above hits “you”)

All: (to the Audience)

Here we stand for you! (overlap: begins as the line above hits “you”)

All:

Hold your hat and hang on to your soul
Peace, joy, and love can save the world whole
If we fight hate we've still got a chance
But whatever they offer you
Though they give a payoff to you
Please, whatever they offer you
Don't feed the hate! (long hold off on 12)

Esther and King A.:

Stand for tomorrow (come in on the 8th beat of the above “hate”)

All:

Do stand for LOVE!!!! (long hold off on 16)
